

ACER

 Agency for the Cooperation
of Energy Regulators

**ENTSO-E's
Public Workshop on Cost Benefit Analysis
for
Connection Network Code Implementation**

Jakub Fijalkowski - E-Control (on behalf of ACER)

BRUSSELS

2 March 2017

Background:

- November workshop on the CBA lacked broad stakeholders' participation
- Stakeholders requested a creation of the CBA expert group at the 4th GC ESC meeting

Expectations from the workshop:

- Is the Expert Group on the CBA needed?
 - » Objective - provide input and enhancements for the current IGD on CBA
 - » Transparency (ToR, membership, MoM, ...)
 - » Realistic planning
 - » Regular reporting to the GC ESC

Key message:

- Stakeholders' contribution in expert groups is key to their success
 - » Ensure balance and representativeness
 - » Stakeholders' proactive role will speed up the process

Thank you for your attention!
